Hi Richelle / CM,

Sending you the below request. Mayor's Office is asking if either one of you is available to attend and speak at the Mayor's Youth Council this Saturday anytime from 10am - 12:30pm.

I know the Councilmember has a previous engagement but maybe you can attend Richelle?

Location is the Hollenbeck Police Station and there will be about 75 high school students from all over the district.

Please let me know. Thank you!

Hi Mayra,

I'd like to take the time to introduce myself, I'm Sonnie Martinez the new East Area Representative for the Mayor's Office of Public Engagement-Amanda Mejia's successor. I really look forward to working with you and your team.

I know this is a very last minute request, but I was hoping to see if Councilmember Huizar (or maybe even Richelle) is available, for a brief 5-10 minutes, to be a guest speaker at the Mayor's Youth Council this Saturday 10/21, anytime between 10am and 12:30pm? I know that this is a last minute request and its asking

a lot, but my hope is to get these high school youth excited about civic engagement. Our first lesson is Local Government 101 and I will introducing my cohort to ways they can make an impact. Being a fellow public service leader, I would love for the Councilmember or Richelle to talk about how they came to be in office and the strength of civic leadership.

My meeting is going to be held at the Hollenbeck Community Police Station and I have a cohort of about 75 high school students from all over the district. If they cannot come out, I completely understand. But if you happen to know anyone who is a good speaker, can you please point me in their direction?

Warmly,

Sonnie Martinez
External Affairs, East Area Representative
Office of Los Angeles Mayor Eric Garcetti
